

COUNTY OF OXFORD

BY-LAW NO. 6603-2024

BEING a by-law to amend By-law No. 6274-2020, a by-law to establish water and wastewater rates for various systems in Oxford County for the years 2021 to 2024, commencing January 1, 2021.

AND WHEREAS, by resolution on December 13, 2023, affirmed by Confirming By-law No. 6601-2023, County Council resolved that a by-law be raised to amend the 2024 water and wastewater rates as set out in Report CS 2023-44.

NOW THEREFORE THE COUNCIL OF THE COUNTY OF OXFORD ENACTS AS FOLLOWS:

1. That the rates for the treatment and distribution of water and the rates for collection and treatment of wastewater for users of the systems, shall be imposed as specified in Schedule "A" as "2024 Rates as Amended", attached hereto and forming part of this By-law effective January 1, 2024.

READ a first and second time this 10th day of January, 2024.

READ a third time and finally passed in this 10th day of January, 2024.

WATER/WASTEWATER
2021-2024 SCHEDULE OF RATES AND CHARGES**

Notes:

- 1 One (1) County meter will be placed in each single family residential, multi-family residential, commercial, industrial and institutional building. Generally, this means one meter per individual property. For properties with multiple units, all water used will pass through such meter and the owner of the premises shall be held liable for water charges. Secondary meters may be purchased from the County for the convenience of the owner, as in apartments or multi-plexes, at the owner's request and expense. All secondary meters shall be installed in a manner so that all water supplied passes through the County meter prior to passing through the secondary meter. Secondary meters shall not be read, billed separately or maintained by the County.
- 2 Wastewater charges for all non-metered wastewater properties with metered water will be charged on a per cubic metre of water consumed basis for each respective customer except those with special agreements.
- 3 Properties that have water and/or wastewater services available, but are not connected as outlined in special agreements, approved by the Director of Public Works.
- 4 Customers subject to mandatory connection by-law and services have not been connected and customers who fail to comply with requests for access to water meters for maintenance and repair needs. The penalty rate is calculated at double the flat rate.
- 5 Properties under construction with access to water prior to the installation of a water meter.

BILLING CYCLE WATER/WASTEWATER RATES AND CHARGES

A billing cycle is defined as a monthly cycle where the number of days billed can range between 28 and 35 days
